PRICE INDEX PROVISIONS

This is an Asphalt Index project and is subject to one of the following:

- Where the General Contractor does not "opt out" of compensation/payment adjustments for asphalt price index fluctuations in the bid book, the following will apply:
 - (NOTE: This is not an adjustment in the price per ton of the HMA, but rather an adjustment in the payment due for invoiced HMA that is delivered during a particular pay period for the project, and will be separately invoiced.)
 - Buyer's payments for the HMA shall be subject to adjustment in accordance with the Caltrans special provisions in the Caltrans/Govt Agency contract that are referred to in the specifications for asphalt as either "Compensation Adjustment for Price Index Fluctuations" or "Payment Adjustments for Price Index Fluctuations." The adjustments shall be made at the time the adjustment amount (the "Adjustment") is properly determined and identified as such by the Govt Agency that owns the project. Buyer shall deliver to Seller a copy of the Govt Agency supporting documents for the Adjustment at the time of the Adjustment. If the Adjustment results in an increased or reduced payment from the Govt Agency, then Buyer's payment to Seller for that HMA shall be increased or reduced, as the case may be, by the same amount.
 - Buyer is primarily responsible for obtaining the proper Adjustment determination from the Govt Agency in the pay period immediately following Seller's delivery of the HMA to Buyer. Seller may, but shall not be required to, estimate the proper Adjustment amount for those deliveries, and in that event Buyer shall pay Seller on the estimated basis.
 - If the proper Adjustment amount as determined by the Govt Agency differs from the estimated amount, then billings and payments will be corrected to conform to the Govt Agency determination.
- Where the General Contractor has "opted-out" of compensation/payment adjustments for asphalt price index fluctuations in the bid book, HMA prices will be adjusted as follows:
 - The price per ton/tonne of HMA will go up at the time of delivery, for a \$10.00 or greater increase in the rack price of liquid asphalt oil from the current rack price for liquid asphalt oil of \$375.00 per ton. Any increase will be reflected to your account at the time of delivery at the rate of 6% per ton/tonne for every \$10.00 or greater increase in the current rack price of liquid asphalt oil. It is the responsibility of Purchaser to request current liquid asphalt oil pricing for HMA.

All Sales are subject to the attached Standard Terms and Conditions.

STANDARD TERMS AND CONDITIONS

Prices: Prices are subject to change after the Expiration Date, or 30 days if no date is stated, and Seller reserves the right to increase prices in the event of increases in the costs of natural gas, diesel fuel and electricity. Hot mix asphalt ("HMA"; defined as any product where Seller adds asphalt oil) price is based on current asphalt oil prices, and Seller reserves the right to increase the price of HMA at the time of delivery in the event asphalt oil prices have increased. **Additional charges apply for purchases outside of Seller's regular business hours.** Prices F.O.B. jobsite (deliver) are subject to change if (a) less than 25 tons of material per truck load are actually transported, (b) the most direct route to the jobsite is not available, and (c) Standby Charges apply. See attached Operating Hours, Overtime and Weekend Charges and Standby Charges. Also, see Price Index Provisions if this is an Asphalt Index project. Prices do not include any sales, excise or other applicable taxes now in effect or which may be imposed hereafter, and same is for the account of Buyer, when and where applicable.

Minimum charge - \$30.00

Credit Sales: Sales on account must be pre-approved by Seller pursuant to a separate credit agreement between Buyer and Seller. Credit terms of payment are discount 10th prox. 30 days net. 1½% service charge per month after 30 days. 45 days past statement date, credit may be suspended until account is brought current. If Buyer fails to comply with credit terms of payment, Seller reserves the right to require satisfactory security or guarantee that invoices will be paid, or to cancel the unfilled portion of the contract without notice. **Prompt Payment Discount:** Seller allows the following cash discount on materials quoted, if payment is received by the 10th of the month following the billing period and all past due balances are paid in full: rock, sand & gravel at \$.25 per ton/tonne; HMA at \$1.00 per ton/tonne.

Acceptance of Material: Unless otherwise indicated all sales are F.O.B. Seller's plant (pickup). Buyer is responsible for confirming that the material described on Seller's scale ticket is the material ordered. Buyer shall accept or reject materials prior to unloading. Once materials are unloaded, Buyer's acceptance is final.

Material Specification and Use: Buyer is solely responsible for selecting the appropriate materials, including HMA mix designs, for Buyer's intended use. The design specification of Seller's materials is available upon request. Seller is not responsible for the selection of HMA mix designs for the intended use of the materials and the environmental conditions for the intended application of the materials.

Warranties: Seller warrants that at delivery, materials (except EZ Street materials) will meet Seller's design specifications for the indicated material. Material design specifications are available from Seller on request. Buyer is solely responsible for and Seller's warranties do not apply to (1) finished work in which the Seller's materials will be used, and meeting field performance requirements (including but not limited to compaction) as Seller has no control over the handling, placing, finishing, or curing of materials, and the atmospheric conditions, ground conditions, and proper equipment usage upon which field performance of materials depends; (2) Seller's material to which Buyer has added any substance, including but not limited to water; and/or (3) contact of Seller's materials with contaminants or deleterious substances, including but not limited to cold surfaces, water, or reactive soils. For EZ Street materials only, Seller warrants that EZ Street materials which are installed in accordance with the manufacturer's instructions will outlast surrounding pavement. EXCEPT AS EXPRESSLY SET FORTH HEREIN, THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THESE STANDARD TERMS AND CONDITIONS, AND SELLER EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.

Limit on Liability: In no event shall Seller be liable for any incidental, special, indirect, or consequential damages, whether resulting from non-delivery or from negligence of Seller or other tort. This exclusion applies regardless of whether such damages are sought for breach of warranty, breach of contract, negligence, or strict liability in tort or under any other legal theory, and Buyer's sole remedy shall be limited, at the option of Seller, to (1) replacement of the non-conforming materials at the FOB delivery point, (2) refund of the purchase price of the materials purchased.

Delivery Schedule/Delay: Materials shall be delivered to Buyer in accordance with a schedule mutually agreed upon by Buyer and Seller. Buyer will schedule delivery of materials with Seller's designated dispatcher. Materials and plants are subject to prior reservation. Transportation for F.O.B. jobsite sales is subject to the availability of trucks and the accessibility to the jobsite. Seller shall not be responsible for delays or cancellations for reasons beyond the reasonable control of Seller, including but not limited to traffic, weather, plant or equipment breakdown, unavailability of materials, strikes, lockouts, and/or labor disputes. Seller reserves the right to provide Buyer with equivalent or better materials and/or materials from a different location other than specified on the order.

Broken Asphalt/Concrete Recycling: If Seller has agreed that Buyer may deliver broken asphalt pavement and/or broken concrete to Seller's designated plant for recycling, then Buyer is required to complete and sign the Seller's Broken Asphalt/Concrete Acknowledgement and Indemnity that accompanies the Seller's Broken Asphalt/Concrete Acceptance Policy that is attached to this Quote/Order.

Entire Agreement: This Agreement sets forth the entire agreement between the Buyer and Seller with regard to its subject matters, and supersedes any and all prior or contemporaneous oral or written communications and/or agreements between the Buyer and Seller regarding the subject matters.

Agreement: These Standard Terms and Conditions apply to any and all quotes/orders and/or purchases of materials from Syar Industries, Inc. This Agreement shall bind Buyer upon acceptance by Buyer by any expression of acceptance, ordering or accepting materials, or Seller's commencement of performance, whichever comes first. Any terms or conditions proposed by Buyer in acknowledging or accepting Seller's offer which are different from or in addition to the terms set forth in this Agreement shall not become part of this Agreement, except as expressly accepted in writing by Seller's Authorized Representative. This Agreement can only be modified by a writing signed by Buyer and Seller.
